

Planning for Real World Impact

Methods, models, & frameworks for planning pragmatic research.

August 11: 8am - 6pm MDT
August 12: 7:30am - 4:30pm MDT

We look forward to your upcoming participation in **Colorado Pragmatic Research in Health Conference (COPRH Con)**! The information contained herein will help ensure that you have the best possible experience while participating in the Virtual Conference. Please take a moment to read the following and complete the various action items. If you have any questions, please email coprh@learningtimes.com.

The inaugural COPRH Conference offers more than 26 hours of presentations with real-time Q&A and focused discussions about methods, models, and measures for planning pragmatic research.

Designed for clinical and translational investigators, including statisticians, dissemination & implementation scientists, health services and public health researchers, and program evaluators, COPRH Con sessions incorporate pragmatic trial planning using the PRECIS-2, pragmatic research approaches and study design, rapid qualitative and mixed methods, and stakeholder engagement.

GETTING STARTED

Create your profile:

Create a username and password from the information you received in your email.

Navigating the site:

After you are logged in, you will get a different view and you can now access **Agenda, Speakers, Posters, Forums, and Resources**. Check out the conference **Twitter** feed on the right-hand side of the page.

LOGGING IN/OUT

When visiting the site after your initial account creation you can login from the login area on the right-hand side of any page. Once logged in, the area is replaced with a LOGOUT button.

ADVANCED PREPARATION FOR LIVE WEBCASTS

The live webcasts will take place on the Zoom platform. Headphones or speakers are needed to hear the live session audio. We highly recommend that you perform a tech check from the computer you will use if you plan to participate in the live webcasts. Perform a tech check at: <https://coprhcon.learningtimesevents.org/technical-check/>

INTERACTIVE WORKBOOK

As you begin to prepare your personal plans for COPRH Con, we invite you to download the interactive workbook— a fillable pdf. This workbook complements the conference content and will help with application to your own work.

AGENDA

Time Zone help: The dates/times for all sessions are listed as Mountain Daylight Time (MDT / Denver, CO). For assistance in converting times to your time zone, we invite you to visit www.timeanddate.com.

ACCESSING THE LIVE SESSIONS

Access the live webcasts from the Agenda page.

At the time of event, click the session title of interest and once on the session page, you'll see link to enter the live session component. In addition, you can also conduct a tech check directly from the session page, and directly access the discussion thread for that session.

AMY KILBOURNE, PhD MPH

Director, VA Quality Enhancement Research Institute (QERI)

Dr. Kilbourne is Director of the Quality Enhancement Research Institute (QERI) in the U.S. Department of Veterans Affairs, and Professor of Learning Health Sciences at University of Michigan. Her goal is to improve public health outcomes through implementation strategies that help providers scale up and spread effective innovations in real-world settings.

[Poster – How Pragmatic are Trials in International Nursing Home Settings?](#)

ARCHIVE

The COPRHCON sessions will be recorded and posted after they take place. This is a great resource if you are unable to participate live or wish to watch the webcasts again at a later time. When you visit a session page after the event takes place, click on "view archive" to access the recording. Watch these sessions at your convenience!

TECHNICAL SUPPORT

Should you need any help in preparing to attend or throughout the conference please don't hesitate to email coprh@learningtimes.com.

We look forward to your participation in COPRH Con!
